INDO

INDUSTRIAL CLEANING PRODUCTS

From buses and trucks, to airplanes, to food processing plants, the INDO line of products cut through grease and grime like no other product. The INDO brand of chemicals has grown to become one of the most complete and technologically advanced cleaner/degreaser line-ups in North America.

INDO products are manufactured to the highest quality standards so that customers are guaranteed consistent, and competitively priced products delivered to their door. INDO chemicals are upgraded to current technologies and conform to new requirements for biodegradability, toxicity and disposal. Informative, accurate and easy-to-read Material Safety Data Sheets and Technical Data Sheets provide proper information that is critical to users.

Let our Greer Sales Consultants help you choose the right INDO product for your cleaning needs. Appropriate metering, dispensing, and cleaning aids, including chemical injectors, pressure washers and automatic scrubbers can also be recommended or purchased through your W.E. Greer Consultant.

300

ACID CLEANER/DE-RUSTER

A safe acid cleaner, de-ruster and surface treatment designed to prepare dirty, rusty or oily parts for painting. Special solvents and detergents emulsify oil, while a special inhibitor prohibits the return of rust. Also degreases and whitens concrete floors.

240340 - 20L

303

ACID DETERGENT

A mild acid blended detergent formulated for use for general purpose cleaning to remove lime scale, hard water deposits and soap scum. Brightens most surfaces, yet is safer to use and more versatile than most acid cleaners. Excellent product for food plants.

240020 - 4L

244040 - 20L

250465 - 1.9L x 8 (CS) for C3

400

CITRUS BASED CLEANER/DEGREASER

A highly concentrated water-based cleaner/degreaser with citrus solvent designed to handle oily, organic based soils on most surfaces such as painted walls, tile, concrete, metal and plastic. Removes soot from water washable surfaces, leaving a fresh clean scent.

206120 - 4L

206100 - 20L

250341 - 1.9L x 6 (CS)

250464 - 1.9L x 8 (CS) for C3

401

NATURAL SOLVENT DEGREASER

A blend of natural orange solvents and synthetic detergents that dissolve carbons, greases and oils. Replaces standard petroleum distillates, chlorinated hydrocarbons and glycol ethers. Cleans heavy equipment, engines and machinery.

206010 - 1L

206040 - 20L

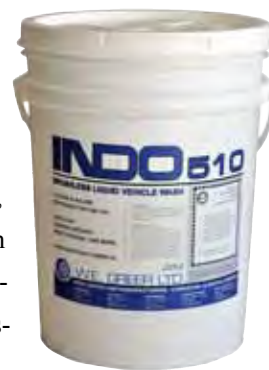

510

BRUSHLESS LIQUID VE- HICLE CLEANER

A liquid detergent concentrate chemically formulated for use through a pressure washer to remove road film, carbon exhaust and bug residue from painted vehicle surfaces. Normally requires no brushing. Contains no caustics, solvents or phosphates.

214240 - 20L

500

COLD WATER CLEANER/ DEGREASER

A non-flammable liquid alkaline cleaner concentrate that quickly cleans most soils off of plastic, rubber, porcelain, concrete, metal and painted surfaces. Its versatility allows for use through trigger sprayers, high pressure washers and automatic scrubbers.

214540 - 20L

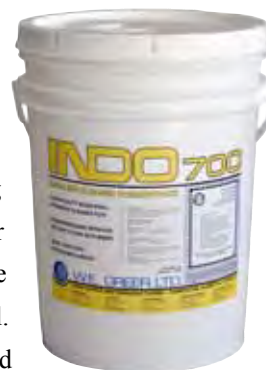

700

HEAVY DUTY ALKALINE CLEANER

The most powerful INDO product, it's suitable for use in high pressure spray and factory floor scrubbing equipment. Contains no solvents or phosphates, yet it is effective in the presence of the heaviest industrial soil. Works well on burnt-on greases and oils.

214740 - 20L

505

MASS TRANSIT AND AIR- CRAFT CLEANER

A detergent vehicle wash concentrate that is safe on aluminum, Lexan, Plexiglas, painted or lacquered surfaces. Provides excellent non-redeposition properties. Meets many aircraft specifications, including MIL SPEC C25769J and BOEING D6-17487.

214640 - 20L
