

# INDO 700

**INDO 700 is a heavy duty industrial strength cleaner concentrate designed for use in steam cleaning, high pressure spray and factory floor scrubbing equipment.**

This tough customer is at home wherever there is a hard cleaning task at hand, such as at plants, oil fields, refineries, construction sites or truck and equipment maintenance departments. It contains emulsifiers, soil destruction and peptizing agents. Water softeners and powerful cleaning agents combine to provide fast, complete soil removal.

**Concentrated liquid** — Simple and quick to mix and very economical to use. May be pumped directly to steam cleaning or pres-

sure device, from drum by pump, or other liquid proportioning device.

**Soap free** — May be used with soft/hard water.

**Non-phosphated and biodegradable** — Reduces waste disposal issues.

**Blended surfactants** — Rapid and complete oil and dirt removal.

**Chelated** — No residual hardness film even in high water hardness areas.

**Stable** — Even though highly concentrated, no separation or settling takes place. May be stored for 1 year or more.

## APPLICATIONS:

- steam cleaning
- high-pressure spray
- factory floor scrubbing equipment

**USE:** Dilute with water to emulsify and disperse tough oily and greasy soils from hard surfaces.

**STEAM CLEANING:** Light to medium soil - 1/2 to 3/4% at nozzle, heavy soil - 6 to 10 oz/gal.

**GENERAL PURPOSE AND FLOOR MAINTENANCE:** Light to medium soil - 2 to 5 oz/gal, heavy soil - 6 to 10 oz/gal.

**TEMPERATURE:** Cleans well in unheated solution, however efficiency improves with heat.

**FORM:** Liquid

**COLOUR:** Orange

**ODOUR:** Mild, no perfume added

**% NON VOLATILE:** 18

**pH AS SUPPLIED:** 13.5

**pH 1% SOLUTION:** 11.6

**SOLVENTS:** None

**PHOSPHATES:** None

**FLASH POINT:** None

**BIODEGRADABILITY:** Yes

**WATER SOLUBILITY:** Infinite

**SURFACTANT SYSTEM:** Blended mildly cationic

**CAUTION:** INDO 700 is a concentrated alkaline cleaner and can cause burns. Avoid contact with skin, eyes and clothes. Read MSDS prior to use.
