Subject: Potential Import Tariff Taxes on Goods Manufactured in the United States.

Dear Valued Customer,

Thank you for choosing W.E. Greer Ltd. For your cleaning equipment and supply needs. To keep you informed of possible Tariff taxes, please see below:

The Canadian Government announced the intent to impose import tariff tax countermeasures on USA-manufactured goods for July 1st, 2018. You can review the full list of the products here: <https://www.fin.gc.ca/activty/consult/cacsap-cmpcaa-eng.asp>. Some products that we import may have an increase in cost for the end users of the products affected.

Please do not hesitate to contact your W.E. Greer Ltd. Representative should you have any questions related to this.

Sincerely,

John Greer
President
